

“..an invaluable cultural resource for the Bronx and New York City...”

Lehman Stages is a performance and rehearsal facility at Lehman College, comprised of The Lovinger Theatre, The Studio Theatre, The Student Experimental Theatre or “S.E.T.” and the Dance Lab @ Lehman.

A part of the Bronx for over two decades, the facilities that comprise Lehman Stages have served as an invaluable cultural resource for the Bronx and the larger New York City community. Lehman Stages is dedicated to the creation and presentation of performing arts programming of all disciplines with a special focus on education and cultural diversity. Lehman Stages aspires to be an artistic touchstone for emerging artists of all backgrounds and a training facility for our dynamic Theatre & Dance Program here at Lehman College. We also provide low cost rehearsal, performance and conference space for arts, civic and government organizations throughout New York City and beyond.

The New York Times has called Lehman “the most attractive of the CUNY colleges with some of its finest facilities.”

This brochure is made possible by a generous grant from the Ford Foundation through the Bronx Council on the Arts.
